WMA President

This news was highly appreciated by the Masters family: The City of Toruń, Poland will be after 2019, the venue for the 2023 World Masters Athletics Indoor Championships. Those who attended will remember that at the end of our WMA championships in 2019 we all thanked the City of Toruń and Polish Masters Athletics for offering an amazing championship event to the Masters Athletes from all over the world. This event has been recognised as an outstanding success in WMA as it has been the best organized and most successful WMA Indoor Championships ever. The local community and the City of Toruń gave us all their wonderful hospitality and a warm welcome. We are happy to compete in Toruń again.

This City is an ideal location for this Championship with a World Class Indoor Stadium with outstanding facilities. In addition adjacent to the stadium are all of the needed competition areas to meet the needs of the outdoor events. An added bonus for athletes and their accompanying friends and family is that all of the competition venues are within a short distance from the City centre and the major accommodation facilities.

Torun is a beautiful and historical City with beautifully maintained buildings throughout the City area. The City is fully supporting this Championship and you are assured of a friendly reception and a heartfelt welcome by the city and its people. There are many historic displays to see and lots of things to do in Toruń so be prepared to enjoy some time taking in what this City has to offer the Masters athletes from around the world. A special event will be the 550th birthday of Nikolaus Kopernikus, born in Toruń in 1473. That is why we included the heliocentric system, also called Copernican system, in the Logo of the championships.

On behalf of World Masters Athletics I invite you to enter and participate in the 2023 WMA Championships, Indoors in Torun. WMA and the LOC will work closely together again to ensure the 2023 WMA Indoor Championships are another great success.

I would like to thank Wacław and Sławek Krankowski and the Polish Masters Athletics for their support in the organisation and management of this competition. I also wish to acknowledge Mayor Michał Zaleski for the support of the City of Torun and the sponsors who have contributed making this Championship possible.

WMA extends to all participants, officials and volunteers our best wishes for a happy and enjoyable stay in Torun. It is great being part of our Masters Athletics family!

Kamil Bortniczuk

Minister of Sport and Tourism

Dear Athletes, Coaches!

Ladies and Gentlemen!

After four years, Toruń will again host a unique event - the 9th World Masters Athletics Championships Indoor. From 26 March to 1 April 2023, the City of Copernicus will be visited by the elite of the best athletes of the masters category from around the world, including, of course, a strong representation of Poland. I am very happy to have been able to join the Honorary Committee of this prestigious event.

Poland is a proven and reliable organiser of international sporting events, and the city of Toruń has experience in organising the World Masters Athletics Championships Indoor. I am convinced that a great spectacle awaits us. It is worth recalling that the world masters championships previously held in this city in 2019 were extremely successful, with nearly four thousand athletes taking part, including as many as 830 Poles. I am keeping my fingers crossed that these results can be further improved in the upcoming edition of the event.

Masters athletes show that physical activity can be undertaken at any age and that the passion for sport never fades. Age is no barrier for them to pursue new challenges and ambitious goals. Dear athletes, thank you for popularising a healthy lifestyle and sport competition in the spirit of fair play. You inspire us to act and surpass our own barriers.

I extend my warmest greetings to all participants and organisers of the 9th World Masters Athletics Championships Indoor. I know that the upcoming event will surely be an unforgettable celebration of sport. See you in Toruń.

Michał Zaleski

Mayor of Toruń

Ladies and Gentlemen!

I would like to invite athletes and athletics aficionados to Toruń! We are proud that the 9th World Masters Athletics Championships Indoor - Toruń 2023 will be held in Toruń - the city of Nicolaus Copernicus, whose 550th birthday we are celebrating in the year of the Championships.

I can assure you that Toruń's sports venues are well prepared to host athletes and fans from all over the world. The main arena for the championships will be the Arena Toruń - a modern sports and entertainment hall on Bema Street. This venue is well-known in the international masters athletics community, as it hosted the previous World Masters Championships in 2019, the perfect organisation of which was called the "Toruń standard".

I am convinced that we will maintain the high organisational level of the championships in Toruń also this time. We want the competitors and fans to remember both the great sporting events and the excellent results achieved, as well as the kindness of the people of Toruń and the cultural richness of our city, which in 2022 celebrated the 25th anniversary of being a UNESCO World Heritage Site.

See you in 2023 in Toruń!

You are most welcome!

Wacław Krankowski

President of Polish Masters Athletics

Dear Sir/Madam,

Colleagues

Less than three months after the signing of the contract for the organization of the European Indoor Championship in Toruń in 2024, we heard that Edmonton had given up the organization of the Indoor World Championship in 2023. We have taken this message with sorrow. We are forced to postpone the planned journey overseas, which is a pity.

However, we did not think that the WMA authorities would turn to us with the proposal to organize this event. Fearing that there will be a break in the organization of the championship again, that masters athletes will be deprived of the possibility of sports competition, we decided to undertake this task.

Michał Zaleski, the Mayor of the City of Toruń, made it easier for us to make a positive decision and with goodwill rose to the WMA and President Margit Jungman's proposal.

On behalf of Polish Masters Athletics, I can assure you that we will do our best to prepare the World Championship in 2023 at the highest level to meet the requirements of the "Toruń standard". We have, as many of you have found out, functional sports facilities, a proven and competent team of people to organize this task and a great willingness to meet the expectations of athletes. You can count on our 100% commitment. We won't let you down.

In return, we are counting on your record entries for the competition. Prove that our love of athletics will not stop us at home, that no virus will scare us and we will turn up at our sharpest for sports competition, as always in the spirit of fair play. Let's show that we really are a MASTERS ATHLETICS FAMILY. We miss you already.

Welcoming Toruń is waiting for you to come in March 2023.

Come to Toruń

Toruń is one of the oldest and one of the most beautiful towns in Poland. It charms generation after generation with the beauty of its Gothic Old Town, which was entered onto the UNESCO World Heritage List in 1997. Its night-time panorama, observed from the bridge or from the Vistula's left bank, was considered one of the 7 wonders of Poland. Nicolaus Copernicus – the man who “stopped the Sun and moved Earth” – was born in Toruń. Since the Middle Ages the town was famous for its delicious gingerbread.

There are many other historical architectural objects in Toruń, such as the well preserved system of fortifications from the late 19th century that the Prussians built around the town.

Nowadays Toruń has a population of over 200 thousand and 40 thousand students, learning at the Nicolaus Copernicus University and other higher schools. Cultural life is thriving – there are numerous festivals, concerts, exhibitions, performances...

The city boasts numerous modern sports facilities. We have general access swimming pools, sports fields, a speedway stadium for 15 thousand spectators, 2 ice rinks and many others. The ARENA Sports Hall with 5200 seats is prominent among these. From 26th March to 1st April 2023 this very facility will house World Masters Indoor Athletics Championships. The hall is only a 20-minutes walk away from the Old Town. Various throwing competitions will be held at the stadium by the hall which will also be the start and finish for racewalking and running competitions.

Toruń has excellent road connections. There is good access from airports in Bydgoszcz, Poznań, Gdańsk and Warszawa. The city is very friendly and this is appreciated by tourists – every year over 2 million people visit Toruń. Numerous restaurants, serving Polish and other cuisines, cafes, bars and clubs, most of them within the Old Town, await them. Don't hesitate and visit Toruń as well!

Entry Requirements and Procedure

General rules

The competition will be held under WA regulations as modified for Masters by WMA via their Competition Rules and any other special rules specified for this competition.

General Information

Athletes may enter online or by using a paper entry form. Online is the preferred method of entry. See below for details about each method. All entries must include full payment to be considered valid. Athletes who cannot pay online must instead send a paper entry form and payment to their WMA National Masters Member ("Member"), which will then register them and pay on their behalf. **The entry deadline is 31 January 2023.** No entries will be accepted after the entry deadline. All entries are subject to validation by each athlete's respective Member. Members will confirm the athlete's date of birth, citizenship and/or residential qualifications and other relevant requirements. After an athlete's registration has been validated, its status will display as "accepted" on the list of entries online (wmaci2023.com). Validation is a manual process that each Member completes, so there will be some time (days or weeks) between when you submit your registration and when it is validated. Athletes who have questions about the status of their entry should contact their Member. For athletes who reside in a country where there is no WMA National Masters Member or where the Member fails to fulfill its obligations, their entries will be subject to the approval of the WMA Council.

Additionally, athletes must complete the confirmation/declaration process to confirm whether or not they will participate in their events (confirm or scratch). This process begins at the start of the Championships. See the Championships website and Competition Handbook for details about the confirmation/declaration process, including applicable deadlines.

Online Entry Procedure

1. Go to wmaci2023.com and complete the online entry form prior to the entry deadline.
2. Submit payment by credit card (Visa or Mastercard) at the end of the entry process.
3. Print the confirmation screen for your records.
4. Send a copy of your birth certificate to your Member for validation purposes if you have not already done so in the past.
5. Your Member will then validate your registration.

Paper Entry Procedure

1. Contact your WMA National Masters Member and request a paper entry form.
2. Confirm the latest date required by your Member for submission of your paper entry. NB: Your Member MUST input your entry and payment into the on-line system by the closing date of 31 January 2023 for it to be valid.
3. Complete the entry form and make a copy for your records.
4. Mail the completed entry form and all entry fees to your Member prior to the entry deadline (do not send paper entry forms directly to the LOC). Paper entries sent to your Member for processing MUST include all entry fees.
5. Send a copy of your birth certificate to your Member for validation purposes if you have not already done so in the past.
6. Your Member will submit your registration, pay on your behalf and validate your registration.

WMA National Masters Member Requirements

WMA requires that each Member validate all relevant entries electronically via the online entry system. The Local Organizing Committee ("LOC") will accept only those entries that have been validated by Members. Each Member must also input any paper entries it receives from its athletes into the online entry system. Payment is required at the time the entries are submitted. If for some reason a Member is unable to pay online, it must request an exemption from WMA. If the exemption is granted, the Member will be provided with details about how to pay offline. The Member will still be required to input paper entries into the online entry system and to validate its entries electronically. All entries must be submitted online and paid before 31 January 2023. Any entries for which WMA has not received payment by this deadline will be cancelled, and those athletes will be ineligible to compete. No exceptions will be allowed. In addition, all entries must be validated before 7 February 2023. Any entries that have not been validated by this deadline may be rejected, and those athletes will be ineligible to compete.

Members will receive communications regarding the entry process prior to the start of registration. Members that do not receive these communications should contact the WMA Secretary.

Qualifications for Entry

The World Masters Athletics Championships Indoor Toruń 2023 are open only to men and women who were born on or before 26 March 1988 and who are physically fit. Entry signifies that each competitor must follow the rules laid down by the technical and organizing committees. WMA has the right to reject entries of athletes considered ineligible through misconduct or other disciplinary related matters.

An athlete must be a citizen of the country they will represent, or they must be a resident of that country for a minimum of 3 years. If an athlete has represented a different country at a previous WMA World Championship or Regional Championship, they must have change-of-allegiance paperwork on file with WMA at least 45 days before the entry deadline.

Drug Testing and Gender Eligibility

I acknowledge that Drug Testing will be conducted under the WMA/World Athletics Anti-Doping Rules and Regulations and hereby give my consent to be subject to any drug testing requirements at the WMA Championships. I further acknowledge that it is my responsibility to meet current World Athletics rules and regulations governing gender eligibility and hereby declare that I meet all such requirements. NOTE: If selected for drug testing, Competitors must declare any/all medications being used by them on the doping control form. Any athlete using a prohibited substance as defined in the Regulations, must apply for an exemption (TUE) to the WMA Anti-Doping and Medical Committee. Athletes taking or requiring exemption for a prohibited substance must apply to the WMA Medical Officer (Carole Filer) for a TUE exemption (71 Hunter House Road, Sheffield, S11 8TU, Great Britain; Tel: 0044 (0) 754882 6151; e-mail: wmatuesec@gmail.com). If an exemption is refused, the prohibited substance(s) concerned must not be used, and should you be selected for testing and the test proves positive, this may result in a suspension. Please note that no other medical certificate(s) will be accepted in substitution for a TUE certificate. If you are granted a TUE exemption certificate, this must be with you at all times along with proof of identification, and must be produced at the Doping Control Centre if you are selected for a drug test. Details of prohibited substances and all Anti-Doping procedures are available on the World Athletics website (www.worldathletics.org), the WMA website (www.world-masters-athletics.com) and from your World Athletics Affiliated Federation. The Competition Handbook will also contain details of the Anti-Doping Procedures to be undertaken during the championships.
