

Subject: News from EMA Members

Dear Esteemed Colleagues and Friends,

European Masters Athletics frequently receives requests from our Members or their Representatives to publish news about projects, initiatives, and event calendars on the EMA social media channels and website. These are often initiatives that Members wish to share with the wider European Masters community and beyond.

To better serve this need and recognizing the importance of communication, we are excited to introduce a dedicated section on our website called "News from EMA Members," which will also be featured on our social media platforms.

We kindly ask Members or their authorized Representatives to submit relevant content, including text and one or more images, to the following email address:

newsroom@european-masters-athletics.org

Once received, your submission will be reviewed, processed if necessary, and published promptly.

We are confident that this new service will be a valuable addition, and we look forward to receiving your updates. As always, we deeply appreciate your continued support in offering exciting new opportunities for our athletes and contributing to the growth of our movement.

Warm regards,

Walentina Fedjuschina
EMA President
